PROFESSIONAL SUMMARY

BS Information Technology graduate with hands-on experience in web development, IT support, systems administration, and data management. Skilled in technical troubleshooting, problem-solving, database management, and generative AI. Seeking an entry-level IT position where I can apply my skills, contribute to real-world projects, and grow professionally.

WORK EXPERIENCE

Pampanga High School **February - May 2026**
IT Support Intern *San Fernando, Pampanga*

- Performed hardware maintenance, Windows 10 reinstallation, and network troubleshooting to support school IT operations.
- Managed and encoded student academic records, enrollment data, and administrative files in the School Management System, maintaining accurate records.
- Designed a digital schematic campus map to improve navigation for students and visitors.

Mexico Motorized Tricycle Operator's Permit **June - July 2026**
Encoder *Mexico, Pampanga*

- Encoded and processed permit records and applicant data, maintaining accurate and organized documentation.

ThinkTank Manila **June - August 2025**
Personal Assistant & Commercial Talent *Manila*

- Assisted with payroll processing and verified employee salary information to support accurate payroll records.
- Participated in advertising and promotional projects as commercial talent.

PROJECTS

Online Enrollment System **https://enrollment-system-woad.vercel.app/enroll**
Full-Stack Web Developer | Individual Project

- Developed a full-stack school enrollment system with bilingual registration and an administrative dashboard for student record management.
- Built the application using React, Node.js, Express.js, and PostgreSQL with Prisma ORM; implemented RESTful APIs and deployed the application using Vercel, Render, and Neon.
- Implemented JWT authentication, role-based access control, input validation, duplicate-enrollment prevention, and audit logging.
- Added student search and editing, CSV export, and printable registration forms to support enrollment record management.
- Tech Stack: React, Vite, JavaScript, Tailwind CSS, Node.js, Express.js, PostgreSQL, Prisma ORM, JWT, bcrypt, Git/GitHub, Postman

EDUCATION

Pampanga State University **2022-2026**
Bachelor of Science in Information Technology *Dean's Lister*
